

Emaar Glass

Company Profile

About us:

Packaging plays a crucial role in the success of a product. First, the packaging sells, and then the product. Emaar Glass Industries is one of India's pioneering companies when it comes to glass packaging, and it competes marvelously in this fierce market due to its in-depth business acumen. The team at our venture is committed to providing products that not only satisfy customer needs but also add value to investments by minimizing costs and improving productivity. We have been in this business for the last seven years, supplying to almost all Food & Beverage (Alcohol/Non-Alcohol) companies in India. Currently, we are exporting to Africa and Asia. We manufacture glass and various ancillary items to provide a one-stop source for our customers, making EMAAR GLASS the preferred choice. Our wide range of products is showcased in this catalogue, and various other products are developed on a routine basis. For new developments, we help design the product, develop molds, create samples, 3D drawings, 3D prototypes, etc., to bring the final product to the market.

Why Us?

- * Industry leading prices
- * Qualitative products
- * Ability to undertake bulk orders
- * Timely deliveries
- * Ability to provide packaging for any product
